**A Bolder Future Awaits – Teacher Application Pack**

Thank you for considering Bolder Academy as the next step in your career. I hope this brief letter explains what we are about and why it is an exciting place to choose to work.

We are looking for an imaginative, creative and skilled Computer Studies Teacher, who will use their knowledge and passion to inspire learning, to assist the Head of Department in our exciting and supportive Computing Department. You will be encouraged to advance your own teaching skills and develop professionally as well as being keen to share ideas with your colleagues within this dedicated team. The successful candidate will be fully supported both within the department and by the Senior Leadership Team. We welcome applications from both experienced teachers and from excellent ECTs.

We have just welcomed in our new 6<sup>th</sup> Form cohort, following our first highly successful GCSE results in summer 2023 and so the opportunity to be part of the Academy's history and to create a school that truly stands apart is significant: shaping the curriculum, sparking enthusiasm and excitement for academic learning and enrichment. Our outstanding staff and students make us a great place to work.

We value our staff highly and have a well-developed work load and wellbeing programme. This includes ensuring you are free to leave school early every Friday afternoon – long weekend, here we come!

Extraordinary partnerships have been formed with key local businesses, such as Sky, resulting in a 'bold' education: a traditional, highly academic curriculum combined with brilliant extra-curricular opportunities.

We know every Bolder student and their family exceptionally well; strong relationships and great communication is the Bolder way.

Bolder Academy offers our students and our staff to shine brighter, to be bolder.

I look forward to meeting with you,

Headteacher

## **Bolder and You**

*"We need a different kind of education, one that combines deep thinking (head); growth, character and dialogue (heart); and an ability to solve problems, generate ideas and engage in the world (hand). School should be, above all else, a place of learning in all its expansive complexity: learning how to think, learning how to live, learning how to create." Peter Hyman, School 21*

Creating a different kind of education, a bold future, for our staff and students, requires a certain type of teacher. Undeterred by the teacher recruitment crisis, we know what we are looking for.

Our vision is one of excellence and ambition which is built on a bedrock of strong moral purpose. We are dedicated to creating optimism, openness, and brilliance.

As a member of staff, you will play an integral part in developing the Academy's culture. You will be responsible for promoting our vision, developing and embedding our values, turning the words on our page into reality.

Details of the job description and the job specification are attached. It is important that you address the points in the job specification in your application form.
